

Enforcement

Local Conditions	Indicators	Data Sources*
Conviction rates (filings, number/percent found guilty, number/percent dismissed or deferred, etc.)	Minor in possession	Local law enforcement archival data; County or city attorney adjudication archival data
	Adult DUI	Local law enforcement archival data; County or city attorney adjudication archival data
	Juvenile DUI	Local law enforcement archival data; County or city attorney adjudication archival data
	Multiple DUI on record	Local law enforcement archival data; County or city attorney adjudication archival data
	Open container	Local law enforcement archival data; County or city attorney adjudication archival data
	Juvenile probation cases	Local law enforcement archival data; County or city attorney adjudication archival data
Perception of enforcement	Utilization of sober ride programs	Contact local sober ride programs for usage rates
	Likelihood someone in your community would be stopped by the police for impaired driving	Community readiness assessment (http://docs.sumn.org/CommunityNeedsAssessmentToolkit.pdf); MN Young Adult Alcohol Survey**; focus groups
	Likelihood a drunken patron would be sold an alcoholic beverage in a local establishment	Community readiness assessment (http://docs.sumn.org/CommunityNeedsAssessmentToolkit.pdf); MN Young Adult Alcohol Survey**; focus groups
	Likelihood police would break up a party where under age persons are drinking in your community	Community readiness assessment (http://docs.sumn.org/CommunityNeedsAssessmentToolkit.pdf); MN Young Adult Alcohol Survey**; focus groups
	Likelihood police would arrest an adult in your community who provided alcohol to youth	Community readiness assessment (http://docs.sumn.org/CommunityNeedsAssessmentToolkit.pdf); MN Young Adult Alcohol Survey**; focus groups
	Perceived risk of being caught for underage drinking	Focus groups
	Number of "media spots" related to impaired driving	Community scan/observation
Support for enforcement	Agreement that local law enforcement should strongly enforce laws regulating alcohol use by youth	Community readiness assessment (http://docs.sumn.org/CommunityNeedsAssessmentToolkit.pdf); facilitated discussion with local ATOD coalition; focus groups; key informant interviews
	Agreement that adults who supply alcohol to youth should be prosecuted	Community readiness assessment (http://docs.sumn.org/CommunityNeedsAssessmentToolkit.pdf); facilitated discussion with local ATOD coalition; focus groups; key informant interviews
	Agreement with the need for more officers patrolling for impaired driving	Community readiness assessment (http://docs.sumn.org/CommunityNeedsAssessmentToolkit.pdf); facilitated discussion with local ATOD coalition; MN Young Adult Alcohol Survey**; focus groups; key informant interviews
	Agreement that persons driving under the influence should be arrested and receive the maximum sentence	Community readiness assessment (http://docs.sumn.org/CommunityNeedsAssessmentToolkit.pdf); facilitated discussion with local ATOD coalition; MN Young Adult Alcohol Survey**; focus groups; key informant interviews

Resources	Shortage of law enforcement personnel	Local law enforcement records: key informant interviews
	Training for law enforcement on alcohol issues	Local law enforcement records: key informant interviews
	Number of compliance checks conducted	Local law enforcement archival data; Minnesota Department of Public Safety
Law enforcement practices	Inconsistent application of underage drinking laws	Facilitated discussion with local ATOD coalition; key informant interviews
	Inconsistent application of laws regarding selling to intoxicated patrons	Facilitated discussion with local ATOD coalition; key informant interviews
	Inconsistent application of social host laws	Facilitated discussion with local ATOD coalition; key informant interviews
	Enforcement of alcohol laws is not a priority	Facilitated discussion with local ATOD coalition; key informant interviews
	Campus security is inconsistent	Facilitated discussion with local ATOD coalition; key informant interviews
Judicial practices	No/low prosecution by district attorney of referred cases	County or city attorney adjudication archival data
	Inconsistent application of legal consequences	County or city attorney adjudication archival data
	Few first offender consequences	County or city attorney adjudication archival data
Laws/policies in place	Social Host Ordinance in place	Local law enforcement; Minnesota Department of Public Safety
	Explicit school policies in place about alcohol (K-12)	School policies; student code of conduct
	Explicit school policies in place about alcohol (post-secondary)	School policies; student code of conduct
	Worksite policies in place about alcohol	Worksite wellness assessments; key informant interviews
	Household policy regarding alcohol use	Focus groups

*Focus groups and key informant interviews could be considered as a potential data sources for many of the indicators. For more information on these data collection methods visit www.evaluated.org.

**Survey instrument currently under development by the Department of Human Services Alcohol and Drug Abuse Division; will be available in the SUMN Toolbox (www.sumn.org) by December 2011.

<p>Readily available data, existing data for most Minnesota communities Data likely exists, but may require relationship building/agreements with local entities Data collection required, but tools and/or processes for collection exist Data collection required which may be difficult or time consuming</p>
